On the streets where you live girls talk about their social lives,

(Verse 2. see block lyric)

you're made of lipstick plastic and paint,

and don't you see it

in their eyes.

All your life, all you

ask "When's your daddy gonna talk to you?"

But you were
living in another world — tryin' to get a message through.

(1, 3.) No one heard a single word you said,

we should have seen it in your eyes.

what was going round your head.
Ooh, she's a little runaway.

Daddy's girl at last all the things she

couldn't say, ooh, she's a little

run-away.

run-away.
Ooh, she's a little runaway.

Daddy's girl at last

Now she works the night away.

Verse 2:

Dim the light every night
Guaranteed to blow your mind
I see you out in the streets
Calling for a wild time.
So you sit home alone
'Cause there's nothing left that you can do
There's only pictures hung in the shadows
Left there to look at you.

You know she lights the lights at night
On the neon Broadway signs
She don't really mind
It's only love she hopes to find.

for you, I could. If you told me to die for you, I would.

Verse 2:
Now your pictures that you left behind
Are just memories of a different life
Some that made us laugh, some that made us cry
One that made you have to say goodbye.

What I'd give to run my fingers through your hair
To touch your lips, to hold you near
When you say your prayers
Try to understand, I've made mistakes, I'm just a man.

When he holds you close, when he pulls you near
When he says the words you've been needing to hear
I'll wish I was him, 'cause those words are mine
To say to you till the end of time.
Bed of Roses

Words & Music by Jon Bon Jovi.

1. Sitting here wasted and wounded at this old piano.

(Verses 2 & 3 see block lyric)
hard to capture the moment, this morning I don't know. 'Cause a bottle of vodka's still lodged in my head and some blonde gave me nightmares, think that she's still in my bed.

As I dream about movies they won't make of me when I'm dead.

2. With an
baby, you're all that I need. I want to lay you down on a bed of roses, for tonight I sleep on a bed of nails. Oh, I want to be just as close as the Holy Ghost is, and lay you down on a bed of

Guitar solo ad lib.
Now as you close your eyes, you know I'll be thinking about you.

While my mistress, she calls me to stand in her spotlight again.

Tonight, I
won't be alone, you know that don't mean I'm not lonely. I've got

nothing to prove for it's you that I'd die to defend. I want to

lay you down on a bed of roses, for to-

Verse 2:
With an iron-clad fist I wake up and French-kiss the morning
While some marching band keeps its own beat in my head while we're talking
About all the things that I long to believe
About love, the truth, what you mean to me
And the truth is, baby you're all that I need.

Verse 3:
Well I'm so far away, each step that I take's on my way home
A king's ransom in dimes, I'd give each night to see through this payphone.
Still I run out of time, it's hard to get through
Till the bird on the wire flies me back to you
I'll just close my eyes and whisper, baby blind love is true.
